FIRE LOSS OF \$1,000 ON SOUTH COVENTRY GARAGE.

Seven-Passenger Car Owned by William Man Destroyed—Not Insured.

A wooden building at South Coventry, 40 by 45 feet, used as a garage and repair shop by Burton Mito, was destroyed by fire Wednesday afternoon. The building was owned by John S. Champin. Mr. Mito had just finished repairing a two seven-passenger touring car and had started the self-starter on the car when suddenly the car burst into flames and was such a conflagration that it could not be moved. The car was owned by W. C. Clark of Willimantic and was a 1915 model. The fire company of South Coventry responded to the call, but nothing could be done to save the building, and they turned their attention to nearby buildings. Mr. Champin figured his loss at \$1,000. Mr. Clark's automobile was not insured.

WATCHFUL WAITING.

Company L Still at Armory in Expectation of Orders to Entrain.

Another day of waiting was passed by the members of Company L in this city Thursday. No orders have been received here as yet, and no one seems to know when they will be. Thursday night the members of the company spent the night at their homes and reported at the armory at 8 o'clock and had breakfast in the mess room in the basement of the armory. At 9 o'clock a guard was detailed in charge of Corporal Harold Robbins. Lieut. Paul A. Merriam was officer of the day. The full strength of the company aside from the guard spent two hours going through the movements of a skid drill on Reservoir hill. On their return to the armory at 11 o'clock there was drilling by squads under the direction of the various sergeants. Instead of going to a restaurant for their meals in the future, the company will have its own chef. Lieutenant Fullerton engaged William J. Miller for this duty. Local people recalled Thursday that 13 years ago Thursday Company B, Third regiment, left by special train for the Capital Vermont railroad for service in the Spanish war of 1898.

MELVIN WADSWORTH
ARRESTED ON SUSPICION
Number of Houses Have Been Broken Into at South Windham.

Melvin Wadsworth, aged 26, was arrested Thursday afternoon by Constable Thomas J. Killoury. A number of houses have been broken into at South Coventry this spring, among them being the home of Mrs. Sarah Colburn, where jewelry and other things were taken and Wadsworth is suspected as he was in the vicinity at the time. Over a year ago he was charged with breaking into several cottages and he was sent to Tolland jail for a year. While there he came back and later came back and gave himself up and had to serve an extra three months. He was released from jail in April and when these breaks occurred he was suspected. He was therefore arrested by Officer Killoury and State Policeman William Jackson took him to South Coventry but Grand Juror Henry Parker was out of town and would not be back until today. Wadsworth's case will probably come up today.

LOCKE OF HAIR AS EXHIBITS.
Antonia Kusnerik and Mary Belaschewich were before the court as result of a hair-cutting contest which took place in the Quindick-Windham company mail Monday, where both women are employed. The trouble started, according to witnesses, two days before the contest when Mary went to the husband of the other woman and got him to interpret for her in making a complaint of the condition of a lock of hair. The husband of the woman went to the contest and lost in the battle was on exhibition in the court Thursday morning. The accused was found guilty and fined \$1.

MISS BAKER'S HONORS AT SMITH COLLEGE.
Mary Coggeshall Baker, the daughter of John T. Baker, received the A. B. degree from Smith college June 20. Her college career has been one of peculiar success. She is a member of the press board, the Manuscript society, the Oriental society, the Greek society, and Alpha Phi society. She also had the distinction of being class historian in her senior year.

Daniel Killoury Elected Delegate.
A meeting of the local police officers was held in the patrolmen's room at the local police station Wednesday evening. The meeting was called to order by Chief Richmond, who is vice president of the state association of police, and Lieutenant Daniel Killoury was elected a delegate to the state convention of policemen which is to be held in Norwich, Conn., the 11th of July.

Brief Mention.
A number of local Masons attended the annual gathering of the Masonic Veterans association Thursday.

Two Recruits Examined.
Two recruits were examined and passed Wednesday night at the recruiting station. One was Oswald Dellar, whose home is in West Virginia, but who has been living and working in this city, and the other is William P. May, who has been in several places in the mounted police of Canada and in the Thirteenth Scottish Royal Dragoons at Sutton, Canada. On account of their age it will be necessary to get the consent of their parents. If they do so this will bring the company membership up to 75.

Captain Tiesing says that he wants 75 more men. He says the Company L is ready at any moment to go to mobilization camp.

TO END CATARRHAL DEAFNESS AND HEAD NOISES

If you have Catarrhal Deafness or head noises go to your drug list and get 1 ounce of Parmit (double strength), and add to it 1 pint of hot water and 4 ounces of granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing becomes easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one who has Catarrhal Deafness or head noises should give this prescription a trial.

ONE QUALITY ONLY—THE BEST

MICHELIN

12 to 15% Extra Weight

When you buy your next tire make this simple test. Let us weigh a Michelin Universal Tread in comparison with any other non-skid of the same size. You will find the Michelin 12 to 15% heavier than the average, the exact percentage depending on the size of the tires used in the test.

This extra weight represents extra rubber and fabric, which means extra service.

Normal Tread
Like Michelin Racing Type Flat Tread

Extra-Added Non-Skid Tread

2 Breaker-Strips Here

5 to 8 Plies of Fabric Here

MICHELIN UNIVERSAL TREAD
The new tire everyone is talking about

Examine the above cross-section of the Michelin Universal Tread—or better still let us show you a cross-section of the tire itself. Notice the remarkable thickness of rubber, the numerous plies of fabric, and the double breaker-strips—all evidences of superior durability.

As a conclusive test, and in justice to yourself and to us, try just one Michelin Universal Tread casing in comparison with other makes, keeping record of the extra mileage that it gives you. Once you make this test we feel sure that you will use Michelines exclusively.
